~ Sanctify your Brain ... Memorize a Verse ~

Philippians 2:14-16 Do everything without complaining or arguing, so that you may become blameless and pure, children of God without fault in a crooked and depraved generation, in which you shine like stars in the universe as you hold out the word of life

Gift of Miracles: The working of power attributable only to God

1st Corinthians 12:8 To one there is given through the Spirit the message of wisdom, to another the message of knowledge by means of the same Spirit, ⁹to another faith by the same Spirit, to another gifts of healing by that one Spirit, ¹⁰to another miraculous powers” Just what is a miracle in the true Biblical sense and who may have this gift? The word in the original language of the New Testament is “dynamis” or “powers”. There are two other words used in the New Testament as well “teras” or “wonder” and “semeia” or “sign”. One who receives a Holy Spirit gift of miracles/powers is living in the areas of deep faith and prayer. In the Bible a true miracle always exalted and brought glory to God and Jesus not any human individual. Miracles are by their very nature “rare”. Throughout church history, starting in the Gospels to our very own time today, miracles, powers, signs, wonders, have amazed people. True miracles cannot be whipped-up or manufactured by preachers, evangelist, or any man. Miracles are sovereign acts bestowed by the Lord often through His people. Evil is evicted, health is given, bad circumstances altered, souls saved, and power unimagined by man happens at the event of a miracle. Jesus is always lifted up and the gospel confirmed when they occur. God may use the humblest of us at any time to work a miracle in our midst. Pray for the genuine article ... an authentic miracle. *More on the subject next week /jw*
